

GREETINGS TO EVERYONE IN THE NAME OF OUR LORD JESUS CHRIST!

Items for prayer:

1. Pray for the young American that we met from the providence of Almighty God several weeks ago. He is married to a Filipino who is a Christian girl. He is not saved. Both attended the prayer meeting and Sunday Services.
2. We have commenced a five thirty pm opened air meeting on dry ground on the edge of Laguna Bay. During the summer months, this dries up and becomes a very attractive place for families to enjoy fresh air coming from the lake. We take our senior and junior Young People and Church members. Gospel of John are distributed. Mark will preach to the children while others are having personal conversations with people standing about.
3. Pray for a young married couple whom teacher Femmie was speaking to and they never heard the Gospel before.
4. Warren, the 76 year old American has still not got saved. Pray for him.
5. Eddie (the river man) has been attending Church, prayer meeting, men's fellowship Fridaynight with his children. And we say TO GOD BE THE GLORY!
6. In two weeks time, we will be taking young people to the Church's Camp (Easter Week). Please pray for conversions.
7. We ave started a feeding program every Sunday Morning with our Sunday School children.
8. Our DVBS will take place after the Church's Camp. Five hundred plus children will attend.

Keep this in your prayer list please.

Recently, I had a bad bout of food poisoning. The LORD has touched us and we are much better now.

May I take the opportunity in thanking everyone for their generous gifts and faithful prayer support. Once again all has proved Himself! God has proved Himself to be a faithful God. Amen!

Yours in Christ,

Noel

Greetings to everyone in name of our Lord Jesus Christ!

We have now entered the summer period in the Philippines. Usually, April-June, little rain at this time but extremely hot averaging 35 degrees Celsius.

The past three days (April 15-17), I was suffering from a mild heatstroke. Your legs and arms will be extremely weak. Just keep throwing water around yourself; it seems to help in a big way. Thankfully, this has gone. Praise the Lord.

We have commenced an open-aired meeting every Sunday in Laguna Bay. This bay would be as big as Lough-Neagh, during summer time the perimeter dries up and people would have different sports there. So every Sunday, we go there and meet hundreds of families, some sitting about and many fathers are flying kites for their children. Some members will be giving out gospels of John, Every Home Crusade. Others will engage in personal witness about salvation, children will gather and we have a children's meeting with many onlookers.

At present, there is a summer school in progress.

Remember to pray for the school, we are asking the Lord to bring one hundred pupils this term, commencing in June. The devil won't like this. Amen!

Next week, we are having a three-days camp, Young People will be sleeping in the buildings, we will be feeding them morning, noon and night, along with the spiritual food of the Lord our God.

The following week we will also be running a children's mission, 8am-11:30am, and we are expecting over five hundred in attendance, these will also be fed and watered. To God be the glory!

I covet your prayers for these events, sinners saved, saints strengthened.

Every Sunday morning, our Sunday school children will get some "meryenda" (snacks). Later after the open-air, we have approximately fifty people to be served for dinner. I am able to do this because of special gifts given to me for the sole purpose of putting food in some stomachs. To God be the glory. Every Thursday afternoon, an average of twenty five mothers will meet at 1:30pm for their meeting, and we are still able to maintain a distribution of one and a half kilos of rice to them. The barrel of meal has never run dry, God is a faithful God.

May I take the opportunity in thanking everyone for their prayers and financial support, God has proved Himself to be a faithful God. Therefore, the work at Lakeview goes forward in Jesus name!

Forward ever, backward never!
